Prayer Ministry

For Lorna Reichelt, Irene & Martin Edwards, Gladys Steicke, Sally & Vic Urch, Valarie Steinwarder, Ruth McInerney, Colin & Faye Hanisch, Dean Clarke, Fay Rohrlach, Siggie Tils, Melva Wachner, Geoff Hayter and Michael Keller, all of whom are at home with specific health needs. Pray that they have courage and resilience to meet their challenges and that they have support to help them on their journey.

For Alexandra Kolodnicky as she adjusts to a time of respite.

For Jeanette Hensel as she settles in to a new home at the Tanunda Lutheran Home.

For all those travelling, that they are refreshed through stimulating new sights and kept safe as they travel.

For all who are new to our church community and for those who warmly welcome those who come that they may see the joy of Jesus reflected in all our lives.

For wisdom and discernment as we plan for the future.

When God speaks, oftentimes His voice will call for an act of courage on our part.

From the editor...

In a well known Hillsong song, we sing 'We are a church on fire.'

Are we?

We pray 'set our hearts on fire', 'set our church on fire'!

Now we're not trying to burn the place down, nor in fact set ourselves alight, although in the cold this might feel OK.

Fire can do great things: it purifies, it burns rubbish, it prepares tasty food, it provides warmth, it softens things, it unites things (like metals).

Does the fire we pray for do those things: making us clean and holy, burning out sin and unnecessary 'stuff' in our lives, does it prepare food for body and soul that we want to share, does it make us warm and welcoming to all around us, does it soften us and unite us?

Paul, in the feature article, goes all modern and talks about 'tapping in to God's Global Broadband Network', but it's all really like fire, - all as old as the hills.

This edition of @Glynde is a bumper issue - there was so much to talk about in our various worship and ministries, and still much left out! I pray this is a symptom of a 'church on fire'.

A regular feature of future @Glyndes will be about the Redevelopment and Upgrade of our church. It will always be on the 3rd to last page, just before the Worship Calendar.

This will be my last @Glynde for 3 months as Neil and I go on a holiday that includes seeing our daughter and her family in Toronto, Canada.

Jess Edgecomb and Paul Schubert will be editing the @ Glynde.

Please support them by providing anything of interest by the due dates.

It's been said, ' We fail to get up much steam in any of our endeavours because we do not have enough fire under the boilers' (crabtree), SO let's fire up and get that steam going! *Colleen*

Tapping into God's Global Wireless Broadband Network

God is a creator, a designer and a doer, but God also likes to work in us and through us, making us living, breathing, spirit filled instruments of his saving grace that brings hope and meaning to a fallen world.

How does God do this? We are not merely robots that do everything our master tells us. We are free to choose and decide and act according to our own free will. But God also provides the means through which we can be guided, inspired and even energised in what we do.

Imagine God feeding his people the bread of life. No mere ordinary bread, but bread that imparts in us wisdom, strength, courage and joy to live life to the full, in grateful servitude to the one who loves us and wants what is best for all his creations. This network of inspired spirit led, action filled Christians is unstoppable. It is far more powerful than the world wide web, because through it, God can send the Holy Spirit to fill, inspire and direct our lives. It is even better than a blood transfusion which only prolongs mortal life for a

short while. God's message of saving grace lasts forever, but how do we ensure that our wireless broadband link to God and his global network is good and strong and doesn't suffer from frequent drop-outs?

God speaks to us all the time, but too often our satellite dishes; our shields of faith, are poorly maintained and are often pointed in the wrong direction. We wonder why we can't hear God's voice clearly amid the static and clutter of our daily lives.

But God is there always, communicating clearly and directly - through the Bible, through prayer, through spirit filled Christians, through his handiwork - creation, through the power of the Holy Spirit.

How can we look after, maintain and even strengthen our link with our creator and sustainer?

Firstly, we need to point our satellite dish towards the heavens at God, rather than towards the World with all its temptations and static; a simple but

obvious step as we accept our God as being the source and sustainer of all life.

The next step is to clean our satellite dish. God does this through the Holy Spirit at baptism, but our daily sinful lives soon fill it with clutter, dirt and grime. That is why we need to go to Holy Communion and seek forgiveness of our sins. Each time we are forgiven the healing, cleansing, life giving actions of the Holy Spirit wash clean the dirt, grime and clutter of our sinful nature. Hate, fear and self-centredness all stick to the sides of our dish and prevent God's signals from reaching us clearly and directly. Once the satellite dish, is in good order and facing the heavens, you will notice the back of it, our shield of faith, is protecting us from worldly sins.

The next step is to ensure our filters and our translators are working efficiently. God's signals come to all, but many people do not recognise the voice of God. God speaks clearest to those people who prepare themselves for God's input, who work through God's direction in their lives. The best understanding of what God wants, is when our filters and translators are sensitive enough to recognise the voice of God from the background static. Once recognised, we are then able to amplify, translate and follow it. We amplify the voice of God talking to us, with God's help, by taking on the personality attributes of our triune God; God the father, God the son and God the Holy Spirit; showing the fruits of the spirit, the self-sacrificing nature of Jesus for the greater good and the wisdom, love and understanding of the

father, as we have been taught. In essence, by learning and putting into action God's design for human life, we open our minds and hearts up to a better understanding of what God wants us to do with our lives. It is like a student imitating their teacher, an apprentice learning and appreciating and trying to do, what the master does. The more practise, the better one gets and the easier it seems to do.

Faith without works is dead, so learning, understanding and taking action are all intertwined. To be complete, all are essential. So God's global broadband wireless network is a tool for initiating and carrying out plans and action. When tuned in, we are not merely browsers, but participants in the book of life; Life for all people. God says we will be tested, as God, through his willing grateful servants, uses us to participate in his plan of rescue for all people. Some will choose not to be rescued, but God also promises that we personally will never be tested further than what we can endure, as we endeavour to make changes for the better in the world we live in.

My hope and prayer is that;

***We all tune in to what God wants.
We all embrace the apprenticeship of life with him and
That we grow in the strength and
favour of our Lord, as he feeds
us the true bread of life.***

Amen.

Paul Schubert

From the Pastor

readings from the Old Testament, and 10 weeks in Term 3 are devoted to readings from the New Testament. It's a challenge that allows each of us to spend time regularly each day with God's Word: reading it, and thinking about it, and spending time in prayer.

If you haven't taken up this challenge, *which is really a challenge from our Lord to grow in our faith through regular reading of God's Word*, you can still join in anytime. There are books in the foyer that you can borrow or buy, you can purchase the App for your phone or your I pad (\$4.39--\$4.99) or you can simply use the readings in The Sunday Paper each week.

***Hi! Greetings and may God bless us here at Glynde** as together we seek "to encourage, upbuild, and equip one another, so that we may grow in our faith and become more the outreaching, serving people that God wants us to be" (*our IN-REACH GOAL*), and as we seek to "reach out as a congregation and as individuals to the many hurting and lost people around us with the good news of God's love and forgiveness" (*our OUTREACH GOAL*).

I thought I'd reflect for a while here on some of the things that are happening in our church family in the near future, and on the things that God is challenging us to do as His people here and in the Glynde community.

***The E-100 challenge**

How are you going in this challenge to read through the Bible in 20 weeks?

The challenge is to read five selected readings each week over a period of 20 weeks: 10 weeks in Term 2 are devoted to

***The Redevelopment Appeal**

At our Half Yearly Meeting on May 17th, we were challenged with the need to redevelop and upgrade our building here so that we can better serve the Lord here. Our desperate need is for a lift to the first floor to provide access for the disabled and the elderly to that area of our church building. Without this upgrade, the time will come soon when legally we will not be able to use this area for ministry of any description, *because we have no disabled access to this area.*

To enable our redevelopment to proceed, please respond by filling out the "My Commitment" form which was placed in our pigeon holes and is on the Redevelopment desk in the foyer. **Gifts and Weekly Commitments are desperately needed for this redevelopment to proceed so that our Lord's ministry to people can continue to flourish here at Glynde.**

*GEMS Appeal for Vicar Colin

Colin Simpkin's vicarage with us finishes in a couple of weeks time.

We have been blessed by God in having Colin and Tanya, and Bradley with us for about six months now. Personally, for me, it has been great having Colin working with me in public ministry for our Lord. I will miss his smile, his encouragement, his energy, and his work for the Lord.

As a way of saying thank you to Colin for his ministry, and out of a desire to help Colin and his family, **please give generously to the GEMS Appeal for Vicar Colin.** We will farewell Colin and his family on Sunday, June 21st

*Women's Ordination discussion

Next Sunday, June 14th, after worship we will have a soup 'n' rolls lunch from 11.30 a.m. to 12.30 a.m., and then **we will have a couple of hours discussion with regard to Women's Ordination, an issue which will be discussed by all Pastors at the General Pastors Conference in Hahndorf at the start of July, and voted on by all delegates at the General Synod in Queensland at the start of October.** The Lutheran Church of Australia is promoting discussions in all congregations with the following format: Your Story, the LCA's Story, and God's Story.

We will meet from 12.30 – 2.30 p.m. looking at these three aspects of the discussion: Your Story *in small groups*, LCA Story *led by Vicar Colin*, and God's Story, *led by myself as we look at 1 Cor. 14:26-40.* **In preparation for this discussion, please read the handouts on a table in foyer.**

*Combined Multi-cultural services

These worship services will be held on Sunday, July 5th. At both the 9 a.m. and 10.30 a.m. services, **we will worship together with our Korean and Sudanese brothers and sisters, and we will join together in a 'bring and share' lunch, when we will be encouraged to bring along food from our cultural heritage.** Come along and share in this uplifting and encouraging weekend, as we seek to enjoy gathering together as God's rainbow people J

*90th Birthday celebration

And don't forget the 90th birthday celebration of our church here at Glynde on Sunday 23rd August! Watch "The Sunday Paper" for details about the things planned for this celebration.

***It's great being part of a church family like ours here at Glynde,** a place where we can upbuild and encourage one another in our faith, and a place from which we can reach out to the many people around us who don't know the peace and joy of being loved by God and forgiven by God, through Jesus. May God bless us as we *"reveal and celebrate God's love, so that all may know Jesus and worship him"*.

Pastor Wayne

From the Chairperson

We've passed a test! the exam is yet to come....

The big news for this month comes from our half yearly meeting and the decision of the congregation to move forward in relation to the Master Plan for redevelopment of our church facilities. It is a big job, but if we all work together it will be a blessing for many, many years. The challenge is now to commit our time, talents and money to see how much of the project is financially and physically possible.

We set ourselves a goal of \$1M, so please contribute in whichever ways you can. We will have a congregational meeting in the common months to discuss and decide how much we can achieve. Let us be faithful to God's provision of life, community and resources as we complete our commitment forms (due 14 June 2015).

Let us be thankful for those who have supported our church work in recent times:

those who help serve at Pastor's Conference under the experienced guidance of Colleen Bradtke - the feedback we received was overwhelmingly positive

the Craft group who have donated the air conditioner for the kitchen - just think how this group has steadily improved our comfort in worship and service over many years!

Colin Simpkin for his time of vicarage among us (almost over already)

Viv Kupke for replacing Barb Mattiske in the office while Barb is on a well earned holiday

those who have given friendly welcomes and information to people who have come to our church seeking a spiritual place of refreshment - and Pastor Wayne for courageously leading the way.

And lastly, a favourite Leunig prayer:

shutterstock_129143816

*God give us rain when we expect sun.
Give us music when we expect trouble.
Give us tears when we expect breakfast.
Give us dreams when we expect a storm.
Give us a stray dog when we expect congratulations.*

God play with us, turn us sideways and around.

Amen.

Helene Schulz

Pastors' Conference

More food - food for thought, food for the soul and food for the body!

On 7th and 8th May Glynde was host to over 100 pastors as they came together in conference.

Pastor Wayne was just a face in the crowd, but he was always ready with a word of encouragement to the busy people, who provided a seemingly never-ending supply of food.

A huge *THANK YOU* to the many people, young and old, men and women who so willingly provided the food, helped with preparation and serving, and washed all those dishes!!

Over \$4000 was donated to the Re-development Fund.

Guess what my heart's
overflowing with?

Note of thanks.....

Thank you so much Wayne and the congregation at Zion Glynde for hosting the recent pastors' conference.

I have receive many, many expressions of appreciation from the 'feedback forms' for the 'friendly, abundant way that we were hosted' at Glynde. Well done Colleen and the team.

And thank you Wayne for all the things you did behind the scenes and for being our chaplain. (Many people probably don't appreciate all that needs to happen to host a conference). Thank you for making sure it ran smoothly. God bless you and may he continue to keep you in his care.

*Leon Rosenberg
(on behalf of the planning team)*

PENTECOST CELEBRATED

Acts 2: 1-4

When the day of Pentecost came, they were all together in one place. ² Suddenly a sound like the blowing of a violent wind came from heaven and filled the whole house where they were sitting. ³ They saw what seemed to be tongues of fire that separated and came to rest on each of them. ⁴ All of them were filled with the Holy Spirit and began to speak in other tongues as the Spirit enabled them.

PENTECOST CELEBRATED

Two Sundays ago in the Christian calendar it was Pentecost Sunday, marking the gift of the Holy Spirit.

Many of us were inspired! The roots of word *inspire* are close to that of *inspiration*, which describes an “immediate influence of God.” To be inspired is to be in-spirit, and *spirit*, as from the Hebrew word *ruach*, means breath or wind. To be inspired is to be filled with the Spirit, and this inspiration moves us like an unseen wind, in way that defies logic.

Paul was inspired to create an artwork that involved the children.

The children were inspired to paint the flames. Red flags heralded the beginning of the service, and the children’s created flames followed.

The events of Pentecost invite us to experience God in new ways. These new ways of seeing and experiencing come unexpectedly with the “rush of a violent wind.” They fill us with new passion that burns “as of fire.” And they provide us with the special language with which to share this good and inspired news with others.

I thank God for the Holy Spirit who helps me to believe that God loves everyone and that I’m God’s child.

This inciting event and these moments of inspiration invite us to begin a new journey deepening our experience and expanding our edges, ushering us toward transformation.

Hi There! From Tamara

It is a privilege and pleasure to be working at Glynde Church in the position of cross-cultural coordinator. Over the past 10 weeks I have met many wonderful people, both adults and children.

Visiting people in their homes is a special privilege and I feel blessed to hear their stories. Making connections with families, who are part of our outreach programs, like playgroup and mainly music, is an opportunity to support, listen and care for people and share with them the love that Jesus has for all of us. The example of Jesus; being caring and compassionate to those who need it most, is at the heart of my work at a local school. I am able to spend time with young children who have recently arrived in Australia from many different countries and situations. They are learning to speak English, adjust to a new culture and overcome many challenges. Supporting teachers who have very little time to work with individual children and being a kind and friendly face to all, whilst representing Glynde Lutheran Church, is really good work on many levels.

The work I do for the church links back to my other work and life experiences. After completing my BA in Communication

Studies, I worked for a Christian humanitarian organisation for many years and lived in Rwanda, central Africa. This experience gave me an insight to the challenges and struggles of people overcoming trauma and living in extremely difficult circumstances. I faced the challenge of moving to a new country, into a new culture and learning another language.

Years later, my husband, 4 year old daughter and I went back to live in Africa to work in international development for the Catholic church. We lived in Burkina Faso, in west Africa for two years, during which time my second daughter was born. We moved to The Gambia, also in west Africa, for eight years, during which time our son was born. Adapting to a new climate, environment and culture and setting up a home and raising a family was definitely a challenge for me - as it is and has been, for so many others.

It is twenty years since I went to work in Rwanda. My family and I have been living in Adelaide for three years now. As well as working part-time for Glynde Church, caring for our three children, who are all at school - I am studying for a graduate diploma in Counselling at Tabor College. My husband is still working for Catholic Relief Services and is away in West Africa regularly.

Recognizing the challenges and responding with care and compassion to families and children who have recently arrived in Australia, is now an important part of my work as the cross-cultural coordinator. It is a blessing to me to serve in this way. Please don't hesitate to contact me if you have any ideas, concerns or a desire to support the cross cultural ministry.

Blessings,

Tamara

Music

In May:

***There was the
Organ
Meet and Swap***

A happy and productive time was had by all as organists from over the metropolitan area exchanged ideas and learnt from each other.

TODAY *all are welcome to attend the
Winter Concert*

featuring

***Lobethal Christian Fellowship Choir,
Orchestra and Children's Choir.***

***Free admission
followed by afternoon tea***

Looking ahead:

Spring Concert: September 27th 2015

Featuring:

Stephen van der Hoek (organist)

MaryAnn van der Hoek (vocalist)

Lyle Bartel (artist)

Thank You
Colin, Tanya
and Bradley!

God bless and keep
you wherever He
leads!

Colin's last service at
Glynde will be on
Sunday 14th June 2015.
The Simpkin family have
become our family and
will always have a
special part in our
hearts.

THRIVE YOUTH
Friday 5th June, 7-9 pm
A BONFIRE
IN THE CARPARK!
Guest speaker
Worship songs
&
Fun!

Food, Glorious Food!

Food and fellowship, fellowship and food
They go together.

This was so evident when the Korean language service members and the English language service members combined to share a memorable lunch on the first Sunday of the month.

There were no barriers as the food was enjoyed, and others compared notes.

ANOTHER Successful Market

Blue skies and sunshine brought a regular stream of customers to our May market.

New stalls - one with home-made funky jewellery, another with delightful hair clips for young fashionistas - were very popular.

Another new stall saw several budding entrepreneurs selling their cupcakes, chocolates and peanut biscuits. It is a joy to see so much activity on a Saturday every fourth week of the month. It is a really great community event.

So many goods on the 'white elephant' stall to be as big as a white elephant!

Lachlan and Bonnie found you're never too young to have your own stall

Again thanks must go to our regular helpers who make it all possible. Thanks Lyall for filling in on the barbecue in Hayden's absence. We are looking forward to seeing you all there in June.

Reaching Out With The Bread Run

Our Glynde Bread Run provides care and support to Cornerstone Housing tenants (formerly Lutheran Community Housing), needy Glynde members, and other low income families. The Charity Bread Run operates every Wednesday evening throughout the year serving in the vicinity of at least 25 families. Earlier this used to be up to 40 families when we received surplus bread loaves and rolls from two Bakers Delight at Campbelltown and Newton. Now we only pick-up from Bakers Delight at Newton following the closure of the Campbelltown outlet.

The Bread Run has been operating for over 20 years and was initially started on a rather limited basis by two single mothers who were members of our Glynde Church at that time. The catalyst for the extension of delivering bread to the homes of needy families has been through the action of our Local Support Group Glynde towards the then Lutheran Community Housing.

While we do not look for any accolades there have been some rewarding experiences which have been shared in the Community Housing Mission Statement "For all people to know Christ and be integrated into the body of Christ through the vehicle of Christian based housing". Any difficulties drawn to our attention are taken up individually on a confidential basis and opportunity is taken to provide both practical and prayerful assistance. Other assistance ranges from providing references, and even to the extent of giving moral support during court appearances. Some members may recall the continuing prayers offered at our Sunday services for Chloe a 7 year old girl who was subjected to a debilitating form of cancer and despite lengthy periods of

chemotherapy it was necessary for her leg to be amputated just below her knee and a prosthetic leg fitted. Chloe and her family have now moved away from our area and I am sure God's grace and healing are with them as her mother has married a caring man and they attend a Christian church. The last report received is that Chloe and her sister are very keen on horse riding. We have attended weddings of former relatively long term single mothers who have found happiness and security in meeting and marrying their "dream men" to be able to establish happy Christian homes together and in some instances in one of our Community houses.

We would love to hear from anyone who can help us with our Bread Run activities, as apart from John and Vivien & Tim and Fleur Kupke, plus Grant Wilksch, the rest of us are in the "Senior Citizen" category. Here is an opportunity to share and be an active part of our Glynde Mission "To reveal and celebrate God's love, so that all may know Jesus and worship Him".

You can contact David Wachner,
Phone 8337 7415 or
Email dwachner@bigpond.net.au

***What does bread,
church,
food in general
and
English
have in common?***

Once upon a time, there was a man called Taban. He and his family lived in the area. He was a new arrival to Australia and money was tight. Some-one from a nearby church used to come every week and bring his family bread. Then the family moved away interstate. When he moved, Taban said to himself that if ever he came back to South Australia he would find the church that gave him bread and come to that church.

Well, Taban, found the church and he came to service. There he met others from his country, South Sudan. He was pleased to meet them but there was a problem. They did not speak the same language. No problem! Rebecca (on left) has been attending English at Glynde for a number of years. Simon (on right) had also learnt, so there common language was English. Problem solved.

The next Saturday at English the class were asked the question, 'If you could only eat one food for a whole year what would it be?'

Consensus was quickly reached that bread would not be the ideal food. Ajula (in centre) and the other Sudanese thought corn would be the way to go. Gilbert from South Korea thought it would have to be rice. Alena from Ukraine thought wheat might be best.

Surprise! They are all grains and with some imagination and skill they could all be used to make bread!

Consensus again! Bread is good!

Magnolias

Thank you from Clarice and Val to the 20 people who enjoyed fellowship and a delicious choice of food at the Buckingham Arms Hotel on Friday 29th May 2015. Enid found that even paying for the privilege was not too painful!

Magnolias next outing is on 26th June 2015 to the Sate Library. This will be a conducted tour and include the Sir Josiah Symon Library and Studio where Ivan volunteers. This is a special treat for us and is not usually available to the general public. You will be able to learn more about this remarkable man and his legacy. A lift is available for people who cannot manage stairs. Next year we will leave May blank so that we can avail ourselves of History Month options.

For this next visit we will need to meet in the Foyer of the Library at 10.25 am to meet our guide. I am sure you will all thoroughly enjoy this special outing. Lunches are available at the Library.

Val Matters.

Women's Fellowship

80 more! *Yes, Women's Fellowship is celebrating their 89th birthday*

On Wednesday 10th June at 9.30 am.

It is significant that just 10 months after the Glynde church opened in August 1925 a Women's Fellowship followed with women studying the Word of God and serving their church.

Travellers

Some of our church family are off travelling the world and more are leaving soon. We wish them hassle free travelling with no cause for complaint!

WARNING: Be aware! The travellers making the complaints below to a well known travel agency WALK AMONG US and THEY VOTE!

- On my holiday to Goa in India, I was disgusted to find that almost every restaurant served curry. I don't like spicy food.
- We went on holiday to Spain and had a problem with the taxi drivers as they were all Spanish.
- We booked an excursion to a water park but no-one told us we had to bring our own swimsuits and towels. We assumed it would be included in the price.
- The beach was too sandy. We had to clean everything when we returned to our room.
- We found the sand was not like the sand in the brochure. Your brochure shows the sand as white but it was more yellow.
- No-one told us there would be fish in the water. The children were scared.
- Although the brochure said that there was a fully equipped kitchen, there was no egg-slicer in the drawers.
- I think it should be explained in the brochure that the local convenience store does not sell proper biscuits like custard creams or ginger nuts.
- The roads were uneven and bumpy, so we could not read the local guide book during the bus ride to the resort. Because of this, we were unaware of many things that would have made our holiday more fun.
- It took us nine hours to fly home from Jamaica to England. It took the Americans only three hours to get home. This seems unfair.
- I compared the size of our one-bedroom suite to our friends' three-bedroom and ours was significantly smaller.
- When we were in Spain, there were too many Spanish people there. The receptionist spoke Spanish, the food was Spanish. No one told us that there would be so many foreigners.
- We had to line up outside to catch the boat and there was no air-conditioning."
- t is your duty as a tour operator to advise us of noisy or unruly guests before we travel.
- I was bitten by a mosquito. The brochure did not mention mosquitoes.
- My fiancée and I requested twin-beds when we booked, but instead we were placed in a room with a king bed. We now hold you responsible and want to be re-reimbursed for the fact that I became pregnant. This would not have happened if you had put us in the room that we booked.

Re-development and Upgrade News

Update: Louvre samples have been submitted to the architects who are pleased with the product and we await their further comments and recommendations.

Motion: that the redevelopment of the church building and facilities proceed as recommended by the Glynde Redevelopment & Upgrade Working Group, with the construction of priorities 1 and 2 (new stairs, lift and rear entrance, toilets, change room, kitchen, playgroup, upgrade to Glynburn Road entrance and narthex), at a cost of approximately \$1,000,000, subject to a suitable financial plan being adopted within three months.

Now: Can we convert those commitment forms into a vision for redevelopment?

14th June: Commitment Forms in the box by Sunday 14th June. Remember commitment can be made for any monetary amount as well as opportunities to help with Fund Raising and making Applications for funds from outside sources.

16th June: Re-development and Upgrade Working group meet to consider responses.

Then: General meeting at date determined by Executive to approve level of loan

Then: Architect confirmed and in depth discussions with architect and all interest groups

Then: Plans submitted for building approval.

Then: Job opened to tenders

Remember, more than 90 years ago Glynde church members were going through a similar process.

90th Anniversary of Glynde Lutheran Church

Keep the date 23 August 2015 free!

Worship service 10.30 am,
followed by community lunch.
Then *Past, Present and Future*

If you have ideas to contribute for that celebration day, or
would like to help to plan the day,
please contact Lyall or Lois Kupke

Out and About @ Glynde

I loved making those flames and saying my part in church

No queue is too long when the food is soooo good!

These are going to be the best flames ever. Everyone will be soooo surprised!

I love it when mummy reads to me in play group

Many hands make light work while catering for the Pastors' Conference and while getting bread ready for the bread run.
