

NEW BEGINNINGS

THE JOURNEY HAS JUST BEGUN

Theme thoughts... *from Jess.*

As I assist with the compilation of this month's @Glynde, I can't help but notice a running theme of final preparations and endings leading to a transition to new beginnings.

Most years, this is a time of celebration, things winding up for the year, but also anticipation for next year. At Glynde, it seems some things will be quite different in the new year. There are new projects on the horizon—a new worker, new building progress, a new Chairperson! Change can be quite scary. However, God is with us through each stage. In fact Ecclesiastes 3 is all about there being a time for all things.

Paul Schubert

Have you met?

**Dorothy
Wesley
(Jaensch)**

Dorothy, and our long time happy pianist, Jeanette Hensel, go back a l o o o ng way. They and their husbands all sang together in the Bethlehem Lutheran Church choir and the Lutheran Singers. Husband, John, did a lot of lead singing. Dorothy had her three children when very young and cared for them. Through her involvement with Red Cross work, Dorothy met the great charity worker, Lady Wilson, which in turn led to Dorothy working for former parliamentarian, Ian Wilson, for many years, with a wide range of required work, everything from social secretary to legal secretarial work.

**Brett
and
Debra
Gabel**

Brett and Deb say; 'Hi everyone, we both enjoy being involved in the community and are always involved in something somewhere. At the moment Deb volunteers as the craft co-ordinator at Samaritan's Purse and we both volunteer at Community Food SA. We both enjoy time in the garden growing our own fruit and vegies and walking our dog. We look forward to being involved with everyone at Glynde from both service times in the future.'

Ed: Thanks to Brett and Deb for their creative contributions to the recent 'Carols in the Stable'.

From the editor...

Most of us look forward to Christmas with joy and anticipation. Then, almost too quickly, the New Year abruptly arrives only a week later. How do you view the coming year? Do you look forward to fresh possibilities and renewed potential? Or do you cling to the familiarity of the waning year?

Whether we like it or not, time hurls us forward. The New Year stretches before us like a blank white piece of paper. Let's take advantage of the clean slate the New Year provides and set some goals to work toward. As we set goals, we must be willing to take steps out of our comfort zone but we also need to make the goals realistic.

Do you all remember the song, 'From little things big things grow'? I feel I hear the song in my head as I write. There's also an old question that asks, 'How do you eat an elephant?' And the answer is, 'One bite at a time.' They are simple almost silly adages and yet they contain a big truth. If each of us reaches out and does a little thing, if each of us takes a bite of that elephant, we'll get things done.

Paul Schubert has already taken a 'bite' this year and will be joining our editorial team. We're delighted!

But as we take those bites, let us:

Commit to the Lord whatever you do and he will establish your plans" (Proverbs 16:3).

From the Pastor

*Hi! Well, school is back and **the regular activities of our church family are beginning again for a new year.**

I hope you all had a refreshing Christmas, New Year, and January as we prepare to work together for the Lord in all the new challenges that He sends our way.

*On Saturday, January 17th, at the Warra-dale Lutheran church from 10 a.m. to 3 p.m., we held a **Leadership/Ministry retreat** based on Acts, Chapters one to four. We focused on three things which flowed from these chapters, that:

*God wants the Church to be **multicultural**

*God wants the Church to be **a place of community, fellowship, and learning**

*God wants the Church to be **outreaching**

It was a relaxing day of fellowship, study, and prayer, with a shared lunch in a venue close to the beach. God blessed us as we gathered with one another around His Word.

*This Sunday, February 1st, we will have a **Visioning Day** from 1 p.m. in the afternoon until 4 p.m. after our community lunch together. *Please come along and join us, as we get together in small groups and talk about different aspects of our ministry here, and our visions and dreams for the future, visions and dreams that flow from our Mission Statement and our Inreach and Outreach goals. Our main ideas will then become our objectives for this year, 2015.*

Our Mission statement is *"To reveal and*

celebrate God's love, so that all may know Jesus and worship Him". And the Goals that flow from our Mission statement are twofold:

Inreach goal:

To encourage, upbuild, and equip one another, **so that we may grow in our faith and become more the outreaching, serving people that God wants us to be.**

Outreach goal:

To reach out as a congregation and as individuals to the many hurting and lost people around us with the good news of God's love and forgiveness.

Come along this Sunday afternoon and share your thoughts, and your visions, and your dreams as to how God wants us to put His mission into action.

*This year, we will be seeking to employ a **0.4 Cross Cultural Coordinator** for at least 3 years to help us reach out to the many people, from different cultures, whom we are contacting through our

bridges to the community around: *through Playgroup, Mainly Music, Lighthouse, English classes, Markets, Worship, Craft and so on.* Please pray that God will be able lead a suitable person to apply for his position. We aim to fill this position by early to mid March.

*We are blessed to have **Colin Simpkin as a Vicar** here, *a pastor in training*, for the first half of this year. Please continue to care for Colin, and his wife Tanya, and Bradley, and pray for them as they spend time with us in our ministry for the Lord. They are, and will be, a wonderful blessing from the Lord for us.

Colin will be preaching once a month, *with two in a row in May*, and leading worship most Sundays, as he prepares to be a pastor of the Lutheran Church of Australia. As well as this, he will visit in homes and in hospitals, take the Lord's Supper out to people as a Lay Distributor, be involved in teaching the Christian faith, and be involved in most aspects of our church's ministry.

*Please glance at the Worship Calendar at the rear of this @ *Glynde*, and note dates for Thanksgiving, Ash Wednesday, and Lent. This year again we will have worship on Ash Wednesday, Feb 18th, at 7 p.m., and we will have a Midweek Lenten Bible study on Thursdays over the next four weeks, using Tim Keller's DVD and study on *The Reason for God: Conversations on Faith and Life*. There will be a morning study at 11.00 a.m. *after "Mainly Music"*, and an evening study at 7 p.m.

*May God bless us as together we build one another up and encourage one another in our faith, and as together we reach out into our community with the Good News of God's love, and His forgiveness through Jesus. May God bless us as we *"reveal and celebrate God's love, so that **all** may know Jesus and worship him"*.

Pastor Wayne ☺

Prayer Points

Lord....
Teach us
To pray...

As we move into a new year and new beginnings, let us thank God for new opportunities. Pray for guidance in all decisions we make and courage where courage is needed. Ask God to give us the assurance and serenity to know he is in control.

Please add to your prayer list

- ♦ That blessings accrue from our Visioning Day.
- ♦ In the search for a cross cultural coordinator, that God inspires just the right person to apply for the position.
- ♦ For Helene as our new chairperson.
- ♦ For the Re-development Working Group, the consultation day on 22nd February and that decisions to enhance our vision are made
- ♦ For all who are suffering from the after effects of the January bushfires.
- ♦ For all our ministries as they recommence for 2015.
- ♦ For all in our church community suffering in any way.

From the Chairperson

A ripple begins..... and who knows what will happen?

There is a sense of excitement, anticipation and sometimes apprehension when a new year gets under way. As Pastor Wayne led the Leaders Ministry Retreat in January with a study from the first chapters of Acts, he emphasised that the early Christian church came to life in ripples of faith that swelled out from Jerusalem, to Judaea, Samaria and the ends of the earth as the power of the Holy Spirit drove the disciples to witness to Jesus' life, death and resurrection. It's a story that stirred our hearts and is so relevant to us..... It seems the 'ends of the earth' have come to Glynde through the many people from different cultures that now live in our area and are among us.

I wonder exactly what does this mean for us for 2015? How will our ripples spread out through the power of the Holy Spirit in us? I am sure our ripples will spread as we count our blessings and share our

faith with others.

We are blessed to have Pastor Wayne leading us in worship and spiritual practice and to have Vicar Colin and his family with us. We have deep connections with our Sudanese members and are blessed by their faithfulness in our church community. We have the Korean community worshipping in our facilities on a weekly basis and are building strong connections with them. We have many faithful members who serve in so many different ways. We are blessed by each of you being part of our community.

As a new chairperson, I am praying daily for the life and ministry of our church community and for the goals of our mission to be a church of outreach that welcomes and embraces the cultural diversity around us and shares the gospel with all.

The way I see it, there are four main areas of focus for our church this year - some are more obvious than others - and all of them important as we celebrate our 90th year in this community. Firstly, we need to keep ourselves strong and connected through our ministries to each other - to take time to worship together, to get to know each other better and to share simple and fun things together. Secondly, we need to continue to support and grow our ministries to the wider community - craft, Saturday Markets, English classes, Playgroup, Mainly Music, the bread run to name a few. We need to be mindful of our ministry to those marginalised in our society - our partnership with Lutheran Community Care and the regular support we give to wider mission ac-

tivities are an important part of our witness in the wider world. And finally we need to take up the challenge of the upgrading of our facilities to provide long overdue maintenance and redevelopment of our building so that it meets the worship and outreach objectives that are critical to our ministries in this place.

Brief News

Lyall Kupke has generously agreed to fill the role of Secretary the new Cross-Cultural Outreach and Ministry Team is being formed- Barbara Mattiske, Colleen Bradtke, Lois Kupke have agreed to be on the team; representatives from the Sudanese and Korean communities are being recruited. The Cross-Cultural Ministry position is now advertised (job description is on the website - applications close 20 February 2015)

Redevelopment group has met and is launching a new booklet of information about the plans to upgrade our facilities

Vision Day held on 1st February.

Please feel free to approach me if you have any matters you wish to raise - I will try to assist where I can. May your faith grow and ripple out as you share your blessings with others.

Blessings to you and your family for 2015,

Helene Schulz
Chairperson

Meet the Vicar and his family:

I, Colin Simpkin, grew up in country Victoria and joined the Army at 17 as an electronics technician. My army career went for 12 years in which time I was posted to bases in Bonegilla (near Wodonga), Melbourne, Cambodia (Peacekeeping), Sydney, Wodonga again, and Hobart.

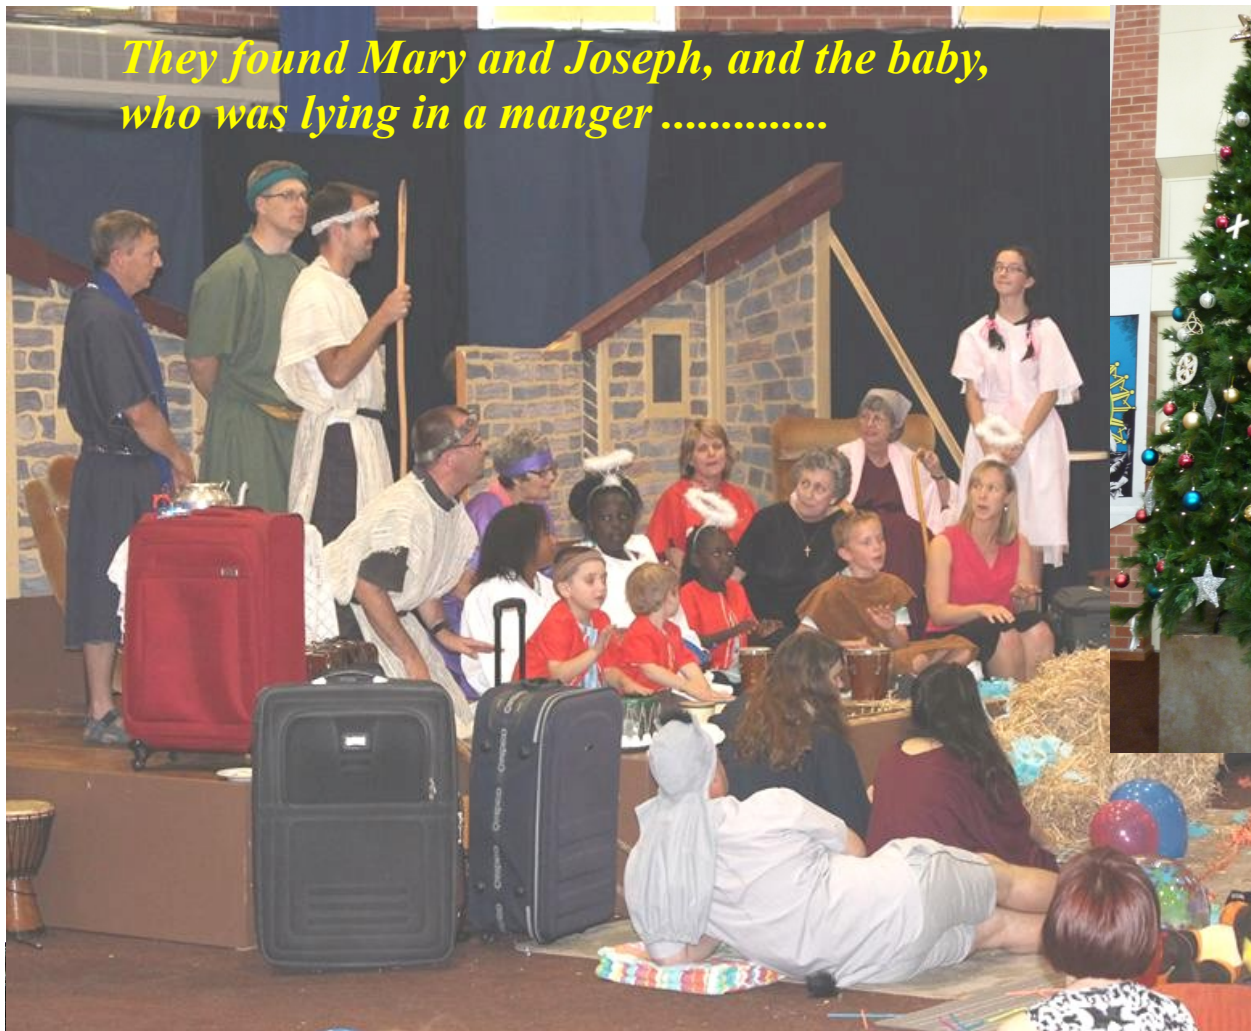

After leaving the Army I worked as a Sales rep for a number of products but the last 5 years before coming to ALC I was a sales rep for a ceiling manufacturer. My role was dealing with architects, builders and contractors and it was very rewarding to work with people in the design of their projects, supplying solutions to a building's acoustic issues and seeing work come to fruition over sometimes years in a project.

I am married to Tanya we have our 7 year old Bradley. Tanya also grew up in country Victoria, living most of her life in Eskdale (good for trout fishing in the creeks). Tanya has had some health challenges since coming to ALC but has become more involved in the ALC community and is an important cog within the valuable 'Sem wives' support network.

Bradley has just started 2nd grade at St Paul School. He has enjoyed his first 2 years there. Like many boys he has lots of friends and his favourite classes are 'lunch' and 'recess'.

Christmas Eve: Happy, happy Day

*They found Mary and Joseph, and the baby,
who was lying in a manger*

*At the Campbelltown Parade, the float
gave a message about what was to
come.*

*When the children heard
the good news of Jesus
being born they cele-
brated with balloons.
Happy, happy day!*

First there was face painting and a sausage sizzle in the car park.

And then a transformed church.

No! Not a church - we were in Bethlehem.

And all heard the wonderful story that Jesus was born in Bethlehem Town.

***Gather round shepherds,
Gather round sheep,
Gather round travellers,
Who can sleep!
Gather round children,
Gather round men,
A baby's born in Bethlehem.
In a house on the hill, lives a cow that's
brown,
Everybody's welcome in Bethlehem
town.***

Then in a cacophony of sound, with African drumming, our spirits soared as we celebrated that

A baby's born in Bethlehem.

As all gathered in the narthex at the conclusion of the service, one little girl found a quiet spot, to read the story in the book all children were given that.....

A baby's born in Bethlehem

Mainly Music

Mainly Music has been going for less than a year and I can't believe how well it has been received in our community. The amount of new people who have come has been very encouraging and indicative of how good a ministry tool this is. There have been very few weeks, if any, where no new

people have attended.

I love the songs and rhymes that I've learnt so far - I've even been using them when I work in the child care centre. They are so engaging and fun for the children. Not only that, but it's educational - you can see the learning that happens. Whether it's the actions to a song; gaining some understanding of rhythm and rhyme; or, learning how to share the toys after Morning Tea! Those ride along toys get a real workout on a Thursday morning!

It is heartening to see how children and adults alike respond to the music and rhymes we do each week. Being out the front, I get to see it all! Even when I feel silly or vulnerable, I can see that they are enjoying

it. That's what motivates me to keep Mainly Music going.

It's been wonderful getting to know families and seeing them come back. The relationships we are building are so valuable and I hope this can continue. I had a friend come along to our last session and she brought someone who has children. Her comment to me later that day was: 'My friend loved this morning as people talked to her. The last one she went to, no one spoke to her.' It's as simple as talking to someone.

We have a great group of ladies who come in each week to cut up fruit, set up tables and chairs and bring out some toys for the children. There may also be some washing and drying of dishes involved.....! They also happen to be pretty good at baking - we've been very spoilt with some delicious cakes, savoury muffins and biscuits! Lots of mums comment on how delicious it is! Their support is invaluable and we could not do it without them!

We've also got helpers who do a whole bunch of other stuff like: set up the cushions and rugs; set up the chairs and tables; greet people; take coffee orders; make coffees; hang out with the children at Morning Tea; help out with last minute cutting out; and are generally very supportive of Mainly Music.

I might be the person up the front, but there is no way that any of

Jesus' love would be spread the way it is at Mainly Music without all of these supportive people. How blessed are we all to be connected with such a worthy event. If you know anyone with young children, encourage them to give it a go.

Many thanks to all who continue to encourage and support us at Mainly Music - feel free to come along and check it out sometime, you never know, you might find yourself enjoying it too.

By Viv Kupke

Note: And our very grateful thanks to Viv for her very warm and skilled leadership.

“Bushfires & Glynde connections”

Just 2 days into the New Year it was a hot, hot day and what so many feared would happen, happened! A bushfire broke out! This fire burnt for a week resulting in great loss of property: houses, sheds, fences, and animals. Kangaroos and koalas lost their habitat. Volunteer fire-fighters from SA, Victoria and NSW fought the fire saving many properties. Thankfully no human lives were lost.

There were stories of dedicated fire-fighters, stories of great escapes, stories of devastating loss, stories of ingenuity, stories of good friends coming to the rescue - the list goes on!

Lyle and Anne Bartel's son and his family faced the fires. Anne writes: Our son, his wife and family recently moved to Upper Hermitage to have more space to accommodate his business as a builder.

They shifted in just before Christmas and soon after that went to Yorke Peninsula for a short break. Within days they had to return because news of a fire in the Upper Hermitage area indicated that the fire was dangerously close to their property (it reached a fence that was a metre or two from his house). They were not permitted to enter the area, so stayed with friends who lived a lot closer than Mum and Dad!!

When they were eventually permitted to return they felt God's protection and blessing, not just because their house, contents and sheds were saved, but also by the support given by friends, fam-

ily and Emergency Services (they probably saved his house).

Their start in a new house was literally a baptism of fire and they are now in the process of re-establishing fences, irrigation pipes and clearing damaged trees.

We are grateful for God's protection.

At Humbug Scrub Sharon and Wain run the Kangaroo Pouch Sanctuary. They

evacuated the children early to grandma's house. Then Sharon evacuated saying, 'I want our children to have one parent left'. Wain stayed on to defend the property and the 40 orphaned animals living there. On the first night the fire bypassed them by less than a kilometre, but by the next afternoon they were under attack again. Wain said, 'It was really hard to know what to do because the fire seemed to be coming from two or three directions at once, and the wind kept changing.' A fireball raced through a neighbour's property in less than a minute. Wain and Sharon lost most fences and sheds, but thankfully the house was saved. However now the cleanup starts. Pictured are wild kangaroos, who have lost all their natural habitat feasting on donated hay. Wain and Sharon are overwhelmingly grateful for this support knowing that they will need to keep feeding animals until the winter rains come in.

Then there is the branch of the Bradtke family. Peter and Courtney were getting married and the reception was at the Glen Ewin Estate. At 9.00 am they were told that the Estate was off limits and all the preparations already at the Estate could not be accessed. As Gary said, 'The world was upside down and inside out - if Court-

ney had then been placed into a water bomber aircraft she could have single handedly put out the fire with her tears'. Anyhow it was decided that the wedding would go ahead; it would be held in Gary and Deb Bradtke's backyard. Family, friends, neighbours rolled up with everything that makes up a wedding. The yard was transformed, food was supplied. 'It was a procession of cars and trailers arriving and departing,' said Gary. Gary continued, 'By 5.00 pm all that was needed was the Bride and she arrived right on time *along with the rain!* No one begrudged it raining and the hope was that it would fall on the fires as well. It rained lightly until the ceremony stopped – it was God showing down his blessings.'

Our thoughts and prayers continue to be with those affected by the bushfire in the Adelaide Hills.

Lutheran Community Care staff have been working to ensure emergency relief services are available to those who have lost or had to leave their homes behind. They will continue to provide resources for the recovery efforts in the coming weeks.

In response to specific requests, the Lutheran Church of Australia Disaster and Welfare Fund is receiving donations for the Adelaide Hills communities. To donate to the appeal visit donation.lca.org.au/project?id=P21013.

Tax deductible donations to the Sampson Flat Bushfire Relief Appeal can be made by going to the sa.gov.au website.

Young people who serve

The logo for 'Big Week Out' is presented in a white speech bubble shape against a dark grey background. The words 'BIG', 'WEEK', and 'OUT' are stacked vertically in a bold, sans-serif font.

'Big Week Out' - Young people showing God's love through service.

Some readers will remember Mark and Beth Kaesler being at Glynde in 2003 when Mark was our vicar. Recently their son Paul phoned our church office 'out of the blue', offering to bring a team of practical helpers to do some landscaping.

Paul is in his fifth year of studying medicine, and a leader in the interdenominational *Big Week Out*, a movement that has grown over the past decade or so. Generally the leaders are uni students, and the team members secondary school students. Their aim is to show God's love through their service.

His offer was gladly accepted, as we knew of 2 yards in need of some muscle power. Both Simon and Rebecca's family and Tibitha's family moved into community housing properties last spring. Because the properties were brand new, the

standard practice is that only the front yard is landscaped at hand over, leaving the back yard looking rather like a desert.

Paul and his team made a good start in transforming these 'deserts' by doing some digging at both places, sectioning off an area for future vegie gardens, and sowing lawn seed. Simon's yard is large, so they also planted water-wise shrubs and ground cover plants, surrounded by bark chips.

With continued watering and care, the yards can grow into attractive gardens. There is scope for further development in the future, which our own church family could help with.

What a thrill to hear about these willing young workers! Their t-shirt slogan says it all _ 'Young people inspired by Jesus to serve'.

Lois Kupke

I SHARE YOU SHARE WE SHARE

Something to Celebrate

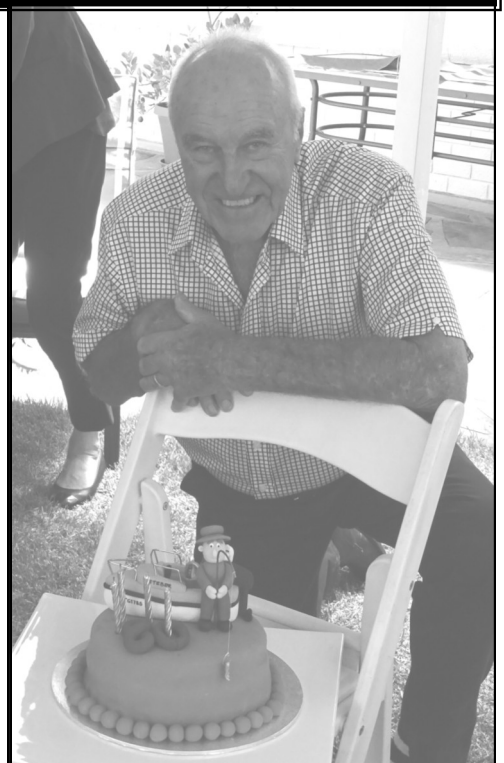

Barry Freund & his twin brother, Phil, turned 70.

A huge THANK YOU to these two Senior Citizens who do so much practical work around our church property, much of which is never seen, or recognised, but we would certainly miss it if it wasn't done! They are two valuable 'Mr Fix-its' Congratulations and God bless you both!

David Stock turned 80 and celebrated with family and friends. His granddaughter made him a cake that reflected his love of fishing.

DO YOU LIVE ALONE?

Are there times when you want to talk things over with someone, and there is no one who will listen? Have your culinary skills become mundane because you are cooking for one?

Being a single person is not a bad thing. We have lots of freedom to make our own plans, we can do our own thing without feeling self-ish.

However, we can become self-absorbed, inward looking, and gradually find ourselves in a rut of not wanting to be social or feel the need of the company of others.

How can we be involved with our congregation's ministry and vision when we prefer our own company or just can't be bothered to make the extra effort. As single people we can band together and be a Friendship Group with similar interests, welcome other single people who walk in our church door, or, maybe, learn about more effective evangelism, work through a specific bible study, eg, the Chronic Pain video. **What would you like to do together with a group of Singles?**

I would encourage all single people in our congregation to **contact me** to discuss the possibilities of forming an effective ministry group that could work alongside other groups in social and ministry areas. *Diane Kleinig, 8226 2798, 0416113451, dkleinig2@bigpond.com.*

Church Redevelopment

Some updates:

- ♦ At the Visioning Day **this Sunday**, we will discuss ways in which our church redevelopment matches our ministry vision.
- ♦ The Redevelopment Working Group meet fortnightly. The group currently comprises of John Kupke (Chair), Pastor Wayne Boehm, Colleen Bradtke, Lyall Kupke, Brad Leach, Val Matters, Ben Pfitzner, Klaus Schulz.
- ♦ A Building Fund Account has been opened with LLL.
- ♦ Top priority of replacing the church sunshades with louvers, reglazing the windows and upgrading the LCC Office area has been approved by congregation. Now only awaiting Council approval. Note that this has been in the pipeline for sometime, questions were asked and answered, but we still wait for final approval..
- ♦ **Important date: Sunday 22nd February, at 12.15 pm, you are invited to 'build a sandwich' and then join in a free and wide-ranging discussion about the redevelopment and priorities. See the booklet in your pigeon holes to help with all the information.**

Those Christmas Cracker Jokes!!!

Q: How was my friend drowned in a bowl of muesli?

A: He was pulled in by a strong currant.

Q: Why did the rocket lose his job?

A: He was fired.

Q: How does Good King Wenceslas like his pizza?

A: Deep pan, crisp and even.

Q: What do you get if you cross a pig and a centipede?

A: Bacon and legs.

Q: Why did the doughnut seller retire?

A: He was fed up with the hole business.

Q: What do you get if you cross a snowman and a vampire?

A: Frostbite.
