IN WORSHIP TODAY

Our Bible Readings for our Church@Home are as follow:

For the 9am worship service, they are [Genesis 21:8 – 21](#) and [Romans 6:1b – 11](#).

The Gospel reading is [Matthew 8:1 – 17](#).

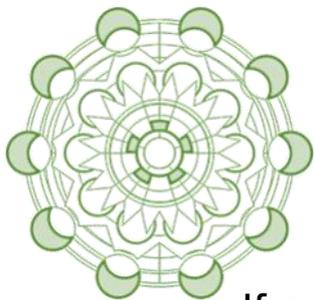

For the 10.30am worship service, the bible reading is [Matthew 8:1 – 17](#).

The theme and message for both worship services is “When sickness or suffering comes your way...” which is based on Matthew 8:1 – 17.

“How are you?” “Are you well?” I’m asking you these questions because I want to talk this morning about sickness and suffering, and the challenge that sickness and suffering bring to our faith, *especially when we go to God and ask for healing and nothing much seems to happen.... I guess that a lot of Christians have implored God for healing in his Corona virus pandemic time, and many have been healed, but some haven’t been healed.* Many books have been written about this, about what is often called “The problem of suffering”, or “The problem of unanswered prayer”.

Philip Yancey is one of my mentors, and he’s written a lot of books on this topic. You may have seen some of them, or even read some of them. There’s *Where is God when it hurts, Disappointment with God*, and his more recently, his book, *Prayer: Does it make any difference?* A lot of people buy these books, and read them, because they are wrestling with the problem of what to do “when sickness and suffering comes our way...”, *which is my focus for our message for this morning....*

Well, what can you do, *or what do you do*, when sickness and suffering come your way? Well, let’s think for a while about this now, and let’s listen to what God has to say to us about facing sickness and suffering....

Lutheran Community Care Winter Appeal

Due to church building closures, LCC has not sent its Winter Appeal letters to congregations this year. Instead they have created a short two-minute video for congregations to share with your members or play during a service in winter. You can find this here: www.youtube.com/watch?v=vSnnHVjmwtl. In this video, LCC's CEO Rohan Feegrade explains why the demand for LCC's services has never been greater and how you can support local communities battling to cope with the economic fallout from COVID-19. For more information about LCC's Winter Appeal, visit www.lccare.org.au/how-you-can-help/donations/

You can bring new life in South Sudan

For just \$18, you can support a refugee like Ayen to start a fresh new life.

If you could sit in Ayen's restaurant in South Sudan ...

... she'd serve you chappati, zambuzza and mundazzi

... and tell you how you changed her life.

... your kindness can still change someone's life forever.

The limited offer 9:1 Grant means for just \$18, you can support a refugee to start a fresh new life.

When Ayen was just 14, poverty forced her parents to take her out of school. She had to leave home and go out into the bush to look after the family's few remaining cattle.

Ayen says missing out on school meant that when she had her own children, she didn't know the value of education.

When war came, Ayen and her children had to flee.

"We would run away to hide and then come back. It was frightening for the children, especially to see people being killed."

Yet that was just the beginning for Ayen.

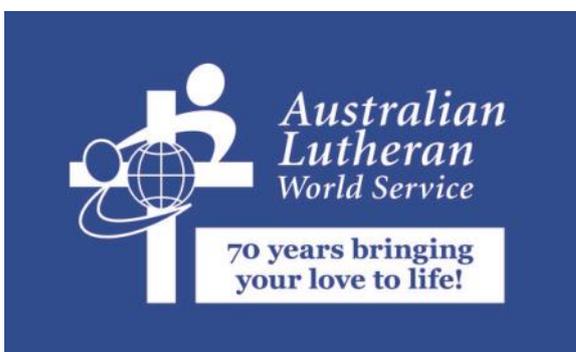

For just \$18 per person, the 9:1 Grant means you help:

- provide school for children
- supply water for the Health Centre
- train skills the community needs
- build peace and friendship.

What's more your \$18 per person also produces flow-on benefits for another 20 people!

Visit the **[ALWS website](#)** for more information and how YOU can help others like Ayen in South Sudan.

Christian Life Week (CLW) camps

CLW camps are Christian camps for high-schoolers organised into zones. The camps are coordinated and led by volunteer young adults. It is highly relationship and activity-focused, and is often a pivotal point in a teenager's faith journey.

The directors who coordinate these camps are absolutely invaluable to the mission and vision of Blueprint Ministries in encouraging young people in their journey with God. Their service to the youth in our district does not go unnoticed and we are completely blessed by the work that they do.

Due to current COVID-19 restrictions, the camp participants are unable to gather as they would normally do. However...
